## FOR SHOPS THAT CARE ABOUT A STRONG MESSAGE!

**h-Green** carrier bags are designed to minimize their environmental impact at every stage of the product lifecycle: from design, raw material sourcing, and production to the recyclability of the finished product. The entire range is manufactured in France.

**h-Green** bags are made primarily from recycled kraft paper that is FSC®-certified and recyclable in the paper waste stream. The inks used are water-based and free from mineral oils. To facilitate recycling, the adhesives contain no hazardous chemicals.

These resistant **h-Green** carrier bags are ideal for clothing, accessories, consumer electronics, bottles, gifts, promotional materials, samples, and more.
