SIMPLIFY YOUR LOGISTICS, REDUCE COSTS AND PACK SMARTER WITH e-Smart 2in1

Bong launches **e-Smart 2in1**, the **e-commerce bag** your logistics team will love! This versatile packaging allows you to **save time with instant adaptation** —no need for pre-shaping, just insert your product, and the bag **switches effortlessly to a block bottom**. With one packaging for multiple needs, you **streamline logistics and simplify inventory management**. Plus, it's designed with a low environmental impact, making it a win for **both efficiency and sustainability**!

▶ **Faster insertion**: no need to preshape the block bottom bag. This means one less step in the packing process!

▶ **Smooth logistics operations**: as **e-Smart 2in1** adapts perfectly to the product, there's no risk of snagging on parcel conveyor belts in e-logisitcs centers

▶ **Optimized stocks**: a V-bottom packaging solution which turns into a block bottom—no need for two separate packaging types

▶ **Low environmental impact**:

- a **strong FSC®-certified paper** with one of the lowest CO_2 emission factors on the market

- manufacturing machine designed to **limit raw material consumption, energy consumption** and waste (2% technical waste compared to the usual 8%)

- **made in France**, close to our customers to limit transport

- fully and easily **recyclable**

Designed with the help of an e-commerce international player, **e-Smart 2in1** comes in **3 standard formats (S, M and L)** to suit a wide range of products and cover all your needs.

e-Smart 2in1 can be **customized** and **delivered quickly**: have your logo or visual printed on one of our 3 formats. Choose the way your packaging is shipped as we offer delivery in cardboard boxes or in bulk pallet.
